Guided Hiking Tours in Valdinievole

Every Sunday morning starting at 8.45 AM a local tourist guide will lead a hiking tour in nature in and around the area of Montecatini Terme. The trails will need 3-4 hours to complete. Explore the birth land of Leonardo da Vinci and Pinocchio and enjoy the green Tuscan landscape with your family!

Guided tour 23 June 2019:

Vinci countryside

Vinci is where Leonardo da Vinci was born and it's also a nice village with an outstanding countryside. The trail will let you appreciate a small valley with a number of ancient mills (XVI and XVII century). We will understand how they worked and what kind of flour they produced. The trail will then go inside a monumental vineyard with dry stone wall where we can understand how the landscape was a time and how is evolving today. At the end we could also go to visit the house where Leonardo da Vinci was born and, if you want, you can enter and visit inside (you need to pay a ticket). It's an interesting tour because it mixes historical and natural issues in natural and semi-natural environment.

The trail is almost completely on dirt road, with gravel and clay (there could be mud) and there are some parts on regular roads. The trail needs hiking boots, personal water and to be in good physical shape.
