## *Old oak of Pinocchio*

**English speaking** qualified tourist guides will bring you and your family on easy natural trails to discover the many pearls of the Valdinievole territory.

This trail is very rich in things to see. It is a circular trail near Montecarlo and it will let you appreciate the countryside of this part of Tuscany, that is a bit different respect to the common image foreign has of Tuscan landscape. Here you will have the impression to be inside a puzzle, with small pieces of woodland, small pieces of vineyard, olive grove, gardens, until we reach the top of the hill where there was a fortress involved in the ancient wars between Florence and Lucca. We will visit and touch one of the biggest tree of Italy, the old oak of Pinocchio and then we will come back walking on paved road built during XV century (or maybe before).

You only need **comfortable shoes, a brimmed hat, an anorak, water, a snack, a car** to reach the starting point. A digital camera, a binocular and sunscreen are strongly recommended.

The trail is almost completely on dirt road, with gravel and clay (there could be mud) and there are short parts on regular roads. The trail needs hiking boots, personal water and to be in good physical shape.

**Every Sunday morning at 8.45 AM** one or more guides will meet the participants in the big car-park on Bustichini road —Montecatini Terme — opposite the Panoramic Hotel. If you wish, at the car park you can decide to share your car with other participants or to go in their car, so as to bring as few cars as possible to the destination. The guide will wait until 9.00 and then will leave with the group. **The trail will need 3-4 hours to complete on foot.**
